 Business News

Merrimack, NH – Fimbel Garage Doors is proud to announce that Vice President and Lead Technician Andy Fimbel has been awarded the Door Technician of the Year Award by the International Door Association (IDA). This accolade recognizes individuals who demonstrate exceptional skill, dedication, and contributions to the garage door industry.

"Andy's dedication to his craft and his commitment to delivering outstanding service have made him a standout in our industry," said Jon Fimbel, General Manager of Fimbel Garage Doors in Merrimack, NH. "His expertise in both residential and commercial installations and his passion for innovation and superior quality has truly elevated our company."

In addition to his role as Vice President and Lead Technician, Andy has undertaken various side projects and initiatives, including custom painting and staining jobs for customers, light construction projects, and finish trim work.
