MERRIMACK – Fimbel Garage Doors recently announced that Vice President and Lead Technician Andrew Fimbel has been awarded the Door Technician of the Year Award by the International Door Association.

This accolade recognizes individuals who demonstrate exceptional skill, dedication and contributions to the garage door industry. Fimbel's exemplary service and commitment to excellence have earned him this well-deserved recognition.

With more than 25 years of experience in the garage door industry, Fimbel has established himself as a model technician and integral member of the Fimbel Garage Doors team. Known for his meticulous attention to details and unwavering integrity, Fimbel has played a pivotal role in the company's success.

“Andy's dedication to his craft and his commitment to delivering outstanding service have made him a standout in our industry,” said General Manager Jon Fimbel. “His expertise in both residential and commercial installations and his passion for innovation and superior quality has truly elevated our company.”

In addition to his current role, Fimbel has undertaken various side projects and initiatives, including custom painting and staining jobs for customers, light construction projects and finish trim work. His diverse skill set and willingness to go above and beyond have enabled Fimbel Garage Doors to expand its offerings and provide unparalleled service to its clients.
